Bob Campbell Ad-

Bob Campbell addressed a meeting of Couservatives at the Blairmore of ports house on Tuesday, night. There was a big attendance, but owing to the scartily of true Couservatives and a bigger representation of Liberals there was little enthusiasm. expressed.

W. Chalmers has been a visitor to Medicine Hat. He was sunning thinked in the galare of South arms a bigger representation of Liberals there was little enthusiasm. expressed.

James Burrows occupied the chair, while Messre, Lyon, Putnam, Carter and Blais occupied honorable positions around the ringside, and in turn delivered addresses with landscape by burning up.

The Burmis school affairs have again suffered another upheaval All the old trustees having leftthe old trustees having leftthe district, it became necersary to elect another bunch with thereal the gallery.

Mr. Campbell mentioned Mr. Mr. & W "sever altimes, but none of the latter district, it became necersary to elect another bunch with thereal that Gordon Glichriss. 211 Gratam and Jas. Dougall will now of the central Liberal organization administer schoolastic affairs. The trio are able men and we rear no foce.

Operations have commenced in which the president and for the purpose of arranging for a commenced in the old slope, it being the balt, and immediately the balt, and immediately the latter and the proceedings and the president and the old slope it being the balt, and immediately the latter and the balt in the latter and the proper than the latter and the process of arranging for a commenced in the old slope it being the balt, and immediately the latter and the balt in the latter and the process of arranging for a commenced in the old slope it being the balt, and immediately the latter and the process of a pro

achies.

About 7 p. m. there was a small fire in the house scotion, the cooking store getting overlieated and firing some clothes hat ging at the hack. This was put out presumably, but at 1 a. m. 10 burst into flames, and in about twenty minutes nothing was left but the lot it originally stood on.

The building and outfit were covered by insurance.

THE REASON.

THE REASON.

The Man Who Had a Family end Never—Saw One of Then.

"I HAADE a wife und four children—in Chiego, and I have never seen one of tenus," remarked a must one overling.

Mrs. Dodge, who, was noted for her includivitieness, looked toward him in great surprise. After a mountal pause hie ables, looked toward him in great surprise. After a mountal pause hie ables, looked toward him in great surprise. After a mountal pause hie ables. Where you ever billed, Mr. Frausz". "Mrs. great pause hie ables, looked towards in great surprise. "A transpired," "No. Indeed," he said.

"There was silence again while the inquisitire woman tried to solve the problem to me satisfaction. Pailing to do so, she saked:

"Didn't understand you to say, Mr. Krans, that you had a wife and four children in Chicago and had never seen." "Yet, light way what I said."

"How can it be that you never saw our of them, Mr. Erama," saked the woman.

"Why, madam," repiled the man,

Sensitive,
John Jones, who is remarkable for
his large ears, has had a falling out with
Miss Essueraida Smith, toward whom
he had been suspected of electralising
matrimonial intentions. Somehody
saked him the other day why he and
saked him the other day why he and
that he did not propose to pay trap
hire for any woman who called him a
donkey.

doukey.
"I can't believe that Miss Smith would call any gentleman a donkey,"

was the reply.

"Well, she didn't exactly say that I was a donkey, but she might just as well have said so. She binted that much."

well have said so. She hinter ran-much."

"What did she say?"

"We were out driving, and it looked.
"We were out driving, and it looked.
were much like rain, and I said it was
going to rain out, sait Like a rainappear, and what do you suppose
she said?"

"have no idea."

"Well, she said, that rain you felt
on your ear may be two or three miles
off. "—London Telegraph.

Omnibus Tall Talk,
"Fare!"
The passenger in the omnibus gave

The passenger in the omnibus gave by the passenger oblivious. "But please?"

Still was the passenger oblivious. "By the ejaculatory term "fare, "and the conductor, "I map to reference to the state of the westher, the compication of the admirable bload search of the admirable bload search of the admirable bload search by the philanthrough corporation. Linerely allude, in a marter perhaps lacking in delicacy, but not in conciseness, to the monetary obligation set up by your presence in this convergance and suggest that, without contempering your celerly will enunciation, you liquidate."

At this point the passenger emerged from the trans.—Boston l'onf.

.....

Politeness.

Politeness goes a great way, sometimes such a great way that it isn't anywhere around when it would really come in very haudily—Chicago Inter Ocean.

Spenditt-Here's that dollar I borrow-d of you yesterday. Lenditt-Keep it, old chap, keep it. I ton't want you to ask me for any more! -Chicago News.

you are."

"THE SAMPO."

This dictograph is pretty.
The phonograph is flue.
The Edison kinetophone
Is probably divine.
But I will take a sampo,
I rather think, for mine.

Her mother practiced magic,
As many mothers do,
And the smith was a magician,
As are all lovers true.
He had a magic smithy
And a bellows that he blew.

But well she knew the lover Could make a magic box, The wheels of which would turn around Exactly like a clock's, And wealth would always pour from it And barley fields and flocks.

And barley fields and flocks,
A magic sampo, in a word—
He need but blow his fre,
To hammee on his Iron hot,
To string his magic wire,
And the sample of the sample of the
Her every Gesler!
The mith was fiable-scatted.
But he loved the desupities well,
And stoll he knew her mamma his
The jady there to self.
And flow it was he made the bot,
Which started with a bell.

Time as very about in scribner's.

What He Had.

He was an artist, and the hundrum life in the butcher's alony versel his noble spirit. Somehow selling scrag. the selling scrag was not appreciated by his stristic temperament, and so be went to London, where talent is recognized and paid for-sometimes.

For a time he wrote glowing letters home, done thing in giveress and one. "Succeas," reflected his sorrawing parents, "has been too much for bind. He has forgotten us. Alsa, alsa;" But the hadn't, for one evolus, Just as his father was sitting down to supper and preparing to enjoy he note.

"Dear dad," it read, "please used me by the old bridge at middight and bring with you a shirt, a walstoat and a jacket. I have a hat."—London Mail.

Luke McLuke Says—
I have noticed that a man can always control his temper when the other fellow is bigger than he is.—Cincinnati Enquirer.

His Right of Locality.

"The Canadian actor who joined the company this season is bothering the managers to give him the chief role is their new polar play as his right."
"What right does he chaim?"
"Says he is a north star."—Pele Mele.

Dr. Heines and the Ferk.

Or. Heines and the Ferk.

"Are you bungry, little girly said

Dr. Wendell Blomes to one whom the

aw looking with longing eyes at the
good things before her.

"Yes, sir," was lise reply.

"Then why don't you take a sendwhich?"

"Then why don't you take a sendwhich?"

"The press that en't nay fork."

"Tingers were uadis before forks,"
said the doctor, smilling.

The little girl looked, then said, "Not

ny fingers."—St. Louis Post-Dispatch,

Had Been Stung

STag-Does your grocer sell bis apples by the harrel?

Fogs-Well, they come in barrels, but what he sells them by is the top lag-es-Boston Transcript.

One on Sciemen
Perry-Solomon himself admitted
that he was puzzled by the way of a
man with a mad.
Mrs. Perry-Well, he'd have been
more excited over the way of a maid
with a new set of dishes.

Reduce cost of Living
Mrs. Youngbride (at the baker's)—
The holes in the doughnuts are very
large: You ought to make some reduction:

duction.

Baker—Can't do that, mum; but Filgive you a cent each for the holes if you'll return 'em'.
